If selected, you will be listed on the conference website at www.aldisABILITYconference.org. This year we will open the conference on Sunday at 6:00pm with a welcome reception. Monday will start with an opening session and then breakouts in the morning and afternoon with a lunch/keynote and awards event; Tuesday will be a breakfast and continue with group sessions that morning, conference to end by 11:30a.

Presenters should be available to present Monday, September 9th, 9a-4:30p. The Program Committee reserves the right to schedule guaranteed 45-minute presentations on these dates. You can express a morning/afternoon preference in your application. This year's theme is "See the Able not the Label." Presentations should focus on showing the abilities of people with I/DD, caregivers, and, all community resources and support/service systems (across the life span of the person with I/DD) together as one voice, speaking a common language of advocacy, inclusion, and support; sharing of information and tools to assist people with I/DD and their caregivers to connect with community resources and support/service systems to live a fully inclusive, empowered, and supported life; and to achieve outcomes that are truly meaningful to people with I/DD.

Service systems are being challenged both statewide and nationally to look for ways to create truly inclusive communities. You can help by providing ideas on how to MAKE THIS A REALITY – advocacy; innovative planning; outcome based planning; health and safety issues; developing inclusive communities – especially with employment, housing, learning, recreation and leisure, spirituality, health care and Medicaid reform; quality assurance; provider program diversity; rights and responsibilities; preparing caregivers for new expectations in service delivery and lifetime planning; family supports; fund raising; education rights; school to community transition.
